What people say

Spacehive is helping us restore an historic 12th century pond. We're going to unclog the pond of excess silt, nurture wildlife, and open up views by removing overgrown trees. It's a wonderful spot and local people have wanted this done for years. Now we have a chance to revive its lost beauty.

Alan Inder, Project Promoter,
Revive North Pond

Your comment

What

Street crossing

Why

It's noisy, feels dangerous,
lot of traffic

Also

A car almost ran me over!

Improve

Create a large pedestrian
crossing from the exit of
the tube station and
remove fence
